Tampa Bay Buccaneers Safety and NFL Animal Welfare Leader Logan Ryan and his wife Ashley, Support Adoptable Dogs at the Humane Society of Tampa Bay.

Tampa, FL – (July 22, 2022) – Logan and Ashley Ryan, founders of The Ryan Animal Rescue Foundation ([RARF](#)), are sponsoring free virtual dog training scholarships through [GoodPup](#) for dogs adopted from the [Humane Society of Tampa Bay](#) starting July 26th through August 26th.

July 26th kicks off Logan Ryan's first training camp with the Tampa Bay Buccaneers, and Logan knows that training is the key to success in both football and his other passion, helping pets and their people!

"So many dogs are surrendered or returned to shelters due to behavioral issues. Training is an important step in creating understanding between you and your dog," says two-time Super Bowl Champion Logan Ryan. "This is a way for us to make a difference for a few hundred dogs here in Florida and give them a second chance to succeed while helping their new families better understand their new dog."

During Tampa Bay Buccaneers Training Camp (7/26 to 8/26), Logan Ryan's Animal Rescue Foundation (RARF) will fund GoodPup Dog Training Scholarships for all dogs adopted from the Humane Society of Tampa Bay. Each scholarship will give adopters 4 weeks of dog training with a Certified Positive Reinforcement Dog Trainer through GoodPup.

"The use of positive reinforcement training is so important to us and is at the core of RARF's Behavioral Assistance Fund." RARF Founder Ashley Ryan said. "By partnering with GoodPup, we have been able to expand our ability to assist shelters and rescues with access to dog training for post-adoption support, foster home support, and surrender prevention. We are excited to be extending this support to the Humane Society of Tampa Bay!"

Ryan Animal Rescue Foundation was founded in 2017 in Nashville, but has expanded to provide adoption promotion, financial and educational resources nationwide. Since its inception, the foundation and the Ryan's have promoted thousands of animals for adoption and contributed over \$250,000 to the animal rescue community through grants and private donations.
